

MATERIAL SAFETY DATA SHEET

M30-Apoptosense™ ELISA Kit

For research use only.

Manufacturer:

PEVIVA AB

Strömkarlsvägen 82

SE - 167 62 Bromma, Sweden

Phone: + 46-8-80 88 83

Fax: + 46-8-564 626 36

Date Prepared: 05/08/02

Component: WASH SOLUTION CONCENTRATE

Description

Colorless solution. Contains sodium chloride and surfactant in phosphate buffer.

Hazard Identification

No applicable information found indicating that sodium chloride or phosphate salts are hazardous at the concentration of the mixture.

First-aid Measures

INHALATION: Fresh air and rest. If breathing becomes difficult, remove victim to fresh air. Seek medical assistance.

INGESTION: Wash mouth with water if person is conscious. Drink large amounts of water. Do not induce vomiting. Seek medical assistance.

SKIN CONTACT: Wash contaminated skin with soap and water and remove contaminated clothing. Seek medical attention if skin becomes irritated.

EYE CONTACT: Flush contaminated eye(s) with large volumes of water for at least 15 minutes. Seek medical attention if eye(s) become irritated.

Fire-fighting Measures

No unusual fire and explosion hazards. Use fire extinguishing media appropriate for site conditions.

Accidental Release Measures

Wash with plenty of water.

Handling and Storage

Store product at 2 – 8°C. Do not freeze. See package insert for details.

Exposure Controls and Personal Protection

Supplemental ventilation is not normally required. Respiratory protection is not normally required. Rubber or chemical resistant gloves should be worn. Safety glasses with side shields are advised, eye wash stations and deluge showers should be available and a lab coat should be worn.

Good laboratory practices should be used when handling this product. Observe appropriate chemical hygiene.

Physical and Chemical Properties

Miscible with water.

Toxicological Information

N/A

Stability and Reactivity

Product is stable under normal handling and storage conditions. Avoid excess heat, flame, or pressure.

Ecological Information

N/A

Disposal Considerations

Please consult local, state, and federal regulations for additional guidance on disposal.

Transportation Information

This material is not hazardous.
